accelerate justice, and preserve privacy in communities around the world. Cellebrite is a

global leader in Digital Intelligence solutions for the public and private sectors, empowering organizations to master the complexities of legally sanctioned digital investigations by streamlining intelligence processes. Trusted by thousands of leading agencies and companies in more than 140 countries, Cellebrite's Digital Intelligence platform and solutions transform how customers collect, review, analyze and manage data in legally sanctioned investigations.

What is your mission?

The Enterprise Solutions team is looking for an experienced principal developer to create a next generation forensics framework. You will drive framework development from a high level calling interface to low level file parsing and database access. Responsibilities include gathering and defining project requirements, documenting project goals, and the principal implementer of solutions to meet the business' current and future needs.

What you'll love about your mission:

Not only will you get to exercise your creative engineering skills, but you will get to work with an incredible team who want to drive excellence. Our products are used by investigators to solve cases and make a difference in the world. You will be instrumental in the core development of all our products.

<u>Location: This position is Remote.</u>

Requirements

The superpowers we are looking for:

- Experience in go, cgo, and C/C++ or another lower level language
- API design experience, familiar with forward thinking issues such as debugging as well as source & binary compatibility

Veteran Status

Why Are You Being Asked to Complete This Form?
This employer is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as
amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA). VEVRAA requires Government contractors to
take affirmative action to employ and advance in employment protected veterans. To help us measure the effectiveness of
our outreach and recruitment efforts of veterans, we are asking you to tell us if you are a veteran covered by VEVRAA.
Completing this form is completely voluntary, but we hope you fill it out. Any answer you give will be kept private and will
not be used against you in any way.
For more information about this form or the equal employment obligations of Federal contractors, visit the U.S.
Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at www.dol.gov/ofccp.

How Do You Know if You Are a Veteran Protected by VEVRAA?
Contrary to the name, VEVRAA does not just cover Vietnam Era veterans. It covers several categories of veterans from
World War II, the Korean conflict, the Vietnam era, and the Persian Gulf War which is defined as occurring from August 2,
1990 to the present.
If you believe you belong to any of the categories of protected veterans please indicate by checking the appropriate box
below. The categories are defined on the next page and explained further in an "Am I a Protected Veteran?
(https://www.dol.gov/agencies/ofccp/veterans/protected-veterans)" infographic provided by OFCCP.

What Categories of Veterans Are "Protected" by VEVRAA?
"Protected" veterans include the following categories: (1) disabled veterans; (2) recently separated veterans; (3) active
duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans. These categories are defined
below.

1. A "disabled veteran" is one of the following:

OK   Settings

2. A "recently separated veteran" means any veteran during the three-year period beginning on the date of such
   veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.

3. An "active duty wartime or campaign badge veteran" means a veteran who served on active duty in the U.S.

3. An "active duty wartime or campaign badge veteran" means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.

4. An "Armed forces service medal veteran" means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

Disability

Form CC-305 • OMB Control Number 1250-0005 • Expires 05/31/2023

Why are you being asked to complete this form?
We are a federal contractor or subcontractor required by law to provide equal employment opportunity to qualified people with disabilities. We are also required to measure our progress toward having at least 7% of our workforce be individuals with disabilities. To do this, we must ask applicants and employees if they have a disability or have ever had a disability. Because a person may become disabled at any time, we ask all of our employees to update their information at least every five years.

Identifying yourself as an individual with a disability is voluntary, and we hope that you will choose to do so. Your answer will be maintained confidentially and not be seen by selecting officials or anyone else involved in making personnel decisions. Completing the form will not negatively impact you in any way, regardless of whether you have self-identified in the past. For more information about this form or the equal employment obligations of federal contractors under Section 503 of the Rehabilitation Act, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at www.dol.gov/ofccp (https://www.dol.gov/ofccp).

How do you know if you have a disability?
You are considered to have a disability if you have a physical or mental impairment or medical condition that substantially limits a major life activity, or if you have a history or record of such an impairment or medical condition. Disabilities include, but are not limited to: Autism • Autoimmune disorder, for example, lupus, fibromyalgia, rheumatoid arthritis, or HIV/AIDS • Blind or low vision • Cancer • Cardiovascular or heart disease • Celiac disease• Cerebral palsy Deaf or hard of hearing • Depression or anxiety • Diabetes • Epilepsy • Gastrointestinal disorders, for example, Crohn's Disease, or irritable bowel syndrome • Intellectual disability Missing limbs or partially missing limbs • Nervous system condition for example, migraine headaches, Parkinson's disease, or Multiple sclerosis (MS) • Psychiatric condition, for example, bipolar disorder, schizophrenia, PTSD, or major depression

PUBLIC BURDEN STATEMENT: According to the Paperwork Reduction Act of 1995 no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. This survey should take about 5 minutes to complete.
